

# HemingfordHub

We're honoured to be recognised by  
Hunts Forum

## **Hub awarded the Good to Go: Good Governance mark**

We are very excited to have been awarded the Good to Go: Good Governance mark by Hunts Forum. This mark ensures that organisations, such as the Hub, are well run with a good level of internal governance, financial control, management and data protection. Hunts Forum has seen our policies, interviewed us, and then a panel has reviewed the evidence and granted us the mark.

## **The Hemingford Hoppa bus**

Hemingford Grey Parish Council has agreed to co-opt a Councillor on to the Hub's Transport Committee and Abbots Parish Council is considering the Hub's proposal to invite a Councillor to join this Committee. Once the Transport Committee is formed the project will start to take shape with an initial survey to test the potential usage of such a service. If you have an interest in driving this essential bus project forward please let the Hub know. We have room for more on board.

## **New Trustees**

Our new trustees are bedding in, and they will shortly be joined by other nominees. This will ensure the long-term viability of the Hub as we grow to meet the needs of our community. If you would like to be considered as a Trustee, please contact us. We are happy to explain the responsibilities (not too arduous) at a social event later in the year.

## **Social Prescribing on our doorstep**

The local NHS Social Prescribing Team is looking to establish a monthly session in the Hemingfords where residents can come for confidential advice on anything that falls into the category of help and support or worries about getting out and about — any non-medical issues

that are causing concern. They will also arrange home visits if getting out is a problem. We will let you know more when this is set up.

## **A home for the HubShed**

Gareth Evans and his team are getting closer to finding a home for the Shed! If you have a large outbuilding or barn suitable for conversion to a workshop, or a suitable small piece of land where we could build a shed, Gareth would love to hear from you on: 07836 279932
